

Axiom Collection

Neoporte's New Line of Interior Doors

Axiom I

Wood/stainless or lacquer/
stainless combination
door set in a stainless
steel frame. Easily installed.
Simply beautiful.

Simple, elegant and versatile. The Axiom collection brings the beauty of Neoporte to every room in the house. Framed in stainless steel with wood or lacquer inserts, this new series also offers unparalleled flexibility. Neoporte's unique interlocking frame allows for a non-disruptive installation perfect for retrofit or delicate new construction. Each door panel insert is easily replaceable—change your door style as easily as you change your mind...
